Memorandum for: Deputy Director (Administration)

From: Legislative Counsel

Subject: CIA Appropriations  
Weekly Report No. 7

1. On 27 February a dry run was held on the prepared material for the Director's Appropriations Committees appearances. Certain minor adjustments in the presentation are now being made prior to discussing it with the DCI.

2. It has been recommended that the DCI talk with Congressman Mahon in order to establish the general procedure for this year's budget hearings. However, there is no word that the DCI has as yet talked with Mr. Mahon.
